EDUCATION

Vishwakarma Institute of Information Technology

Bachelor of Technology in AIDS

Pune, Maharashtra

Present

Current CGPA: 9.13

Government Polytechnic Aurangabad

Diploma in Computer Engineering

Aurangabad, Maharashtra

2022

Percentage: 90.12

St. Lawrence High School

SSC

Aurangabad, Maharashtra

2019

Percentage: 92.60

SKILLS

Languages: Python, C++, Java, HTML/CSS, SQL

Tools: Power BI, Git/GitHub, Wordpress, Figma

Frameworks: Flask

PROJECTS

Financial Insights Dashboard | *Power BI*

May 2024

- Constructed a financial dashboard in Power BI for revenue analysis, utilizing diverse data visualization techniques.
- Utilized Power BI to transform raw financial data into actionable insights for informed decision-making.

Cattle Disease Detection using CNN | *ML*

April 2024

- Utilized CNN architecture for cattle disease detection.
- Trained the model on a diverse dataset of cattle images.
- Achieved accurate identification and classification of various cattle diseases.

Image Caption Generator | *ML*

March 2024

- Developed an image caption generator model utilizing deep learning techniques to generate descriptive captions for images, achieving performance evaluation with BLEU score metrics on the dataset.

Ecoview CRM | *Java, Android*

June 2023

- UI design and implementation for a CRM project, prioritizing user-friendliness.
- Integrated machine learning model to predict the likelihood of a new lead purchasing a house, based on analysis of past lead data.

EXPERIENCE/INTERNSHIPS

ECOVIEW PROPERTIES PVT LTD | *Android Intern*

March 2023 - June 2023

Developed and implemented an operational CRM system as an Android Intern, enhancing client interactions, optimizing business processes and gaining hands-on experience in skills such as Android development, while fostering teamwork and collaboration

SUMAGO INFOTECH PVT. LTD | *Web Developer Trainee*

Sep 2021 - Oct 2021

Dedicated significant time and effort to learning and refining skills in web development.

ADDITIONAL INVOLVEMENTS

Design Joint Head, CodeChef Club

Led design initiatives and collaborated with team members to organize coding events and workshops.
