🎓 EDUCATION

B.Tech in Computer Engineering Vishwakarma Institute of Information Technology, Pune CGPA - 9.1	2021 - present
HSC R R Shinde Jr. College, Hadapsar Percentage - 80.17%	2019 - 2021
SSC Prithviraj Kapoor Memorial High School, Loni-Kalbhor Percentage - 90.4 %	2018 - 2019

🧩 SKILLS

- **Languages** : C++, java, python, SQL, JavaScript, HTML
- **Databases** : MySQL , MongoDB
- **Subjects** : Operating System, DBMS, Computer Networking, OOPs, Data Structures & Algorithm
- **Other** : CSS, Tailwind CSS, React.js, Node.js, Express.js, Automation Anywhere, Power BI, Problem Solving, Communication skills

📁 PROJECTS

Arth Mitra | Financial Literacy Website

- Developed a fully functional Web App with Dynamic JavaScript-based frontend with Restful server-side API, a MONGO database & ORM layer to access data from DB
- Developed different functionalities for different age group to maximize learning & usefulness of Web App
- Developed various tools to which user can interact & get more aware about personal finance
- Tech Stack : React.js, Tailwind CSS, Node.js, Express.js, MonogoDB

Shopping Cart

- Developed a Web App where users can select items, add them to the cart with visually appealing interface.
- Tech Stack : Tailwind CSS , HTML , React.js , Redux

Sorting Visualizer

- Developed website to get better understanding of any sorting algorithm which shows each states of an array dynamically depending on algorithm chosen.
- Tech Stack : HTML , CSS , JavaScript

🏆 ACHIEVEMENT

- Got Selected in Top 5 Teams of Software Hackathon 2024 Organize by UBS
- Global Rank 396 at Starters 123 for Division 3
- 2 start with 1499 rating at codechef & 1544 rating at leetcode
- Solved 400+ coding problems across all platforms.
