Java, Android SDK, Gradle, Firebase, Git & Github

- A user can book a bus ticket on this app with utter convenience.

SKILLS

Java, Python, Android SDK-

Java, Flutter & Dart, MySql,

Firebase, AWS,

JIRA & Scrum,

Git & Github,

Machine Learning,

Problem Solving,

Team Management & Teaching

Certificates / Achievements

TechnoFea 2024 – Winner (Inter-college Hackathon)

Udemy – Flutter & Dart - The Complete Guide

Udemy - TensorFlow 2.0: Deep Learning and Artificial Intelligence

Interests

Competitive Programming,

Problem Solving,

Data Science and Machine Learning
